

Pick up of Hard Copy Materials Term 2.

Dear parents / caregivers.

This will be my final email for Term 2!

Please find following information regarding the picking up of hard copy materials at the commencement of Term 2. Although each year level has developed their own parent / student / teacher communication platform, every year level has some degree of hard copy materials that students require to commence our learning journey in Term 2.

A schedule of when materials can be collected from the school is below. So that we don't create any issues with the government directive with regards to mass gatherings or social distancing we require all families to follow these directions.

- **All hard copy material will be collected at the beginning of Term – Tuesday 28 April.**
- All year levels have some hard copy materials that they need their parents to pick up from the school to assist with the home learning program in Term 2. **Hard copy materials for the Year 3 / 4 is only for those families who have been notified.**
- As a large school we need to have a process where we do not intentionally create a situation that defies the local gathering / social distancing laws outlined by the State Government.
- Only 1 family member will be permitted to come to school to pick up the required material for all family members.
- Work packages will be placed at various locations outside of the school boundary by your child's surname so you may need to park and walk to a couple of stations.
- Please don't stop to talk to friends you may see, and leave the school surrounds as soon as you have picked up all of the required materials. **Staff will not be available to meet parents or students.**
- Packages that are not collected will be delivered to the front office and can be collected from Wednesday 29 April.
- **Please do not come to school before your designated pick up time.**

Year Level	Location	Surname A-F	Time 9.30-10.30
K/P	Kiss and Drive		
1 / 2	Year 1 Car Park / Basketball Court		
3 / 4	Oval Double Gates
