

FOREST CRESCENT PRIMARY SCHOOL

This information constitutes a **maximum estimate** of all the costs you may incur in conjunction with your child's education at Forest Crescent Primary School in 2023. It provides a statement about all types of activities where costs will be incurred. Since not all activities are relevant to all students, parents will need to apply this information to the particular circumstances of their children in determining the estimated costs they will incur.

Voluntary Contributions: \$60 per child.

This allows the school to enhance existing programs and greatly support the school. Specifically, this money is used to further support programs in English, The Arts and (STEM) Science, Technology, Engineering and Mathematics. The quality of our teaching and learning program will be maximised when each family makes the voluntary contribution towards the cost of supplementing funding gained from other sources including the State and Commonwealth Government.

Year levels have costed proposed 2023 activities.										
While student participation in these activities is strongly encouraged, parent's permission is sought for each event.

PAYMENT OPTIONS:

Parents may consider a "Progressive Payment Option" where voluntary contributions can be paid off over a period of time. For example; parents may opt to pay \$15.00 per term, \$30.00 per semester or the \$60.00 up front. Please feel free to discuss this with the Manager Corporate Services or Principal. Payments may be made at the School Office throughout the year via Qkr App, cash, direct deposit or EFTPOS (telephone payments accepted).

Many parents take the opportunity of including the cost of the Voluntary Contribution fee with their child's Personal Requirements List order from Campion Education and we thank those parents for the payment.

All Voluntary Contributions, Charges, Personal Items and Rates of Refunds have been approved by the School Board.

PERSONAL ITEMS:

The personal items list has been approved by the School Board as being required by students for personal use in the educational programs provided by this school.

The items can be purchased through the suggested supplier or a supplier of your own choice. Please refer to the personal items list for each year level.
