

PP-Yr 6 EDU-DANCE

Dear Parents,

The Pre-Primary to Year 6 classes are fortunate to have secured Edu-dance for our Term 2 dance program this year. Edu-dance is a creative hip-hop dance program developed in Perth that is designed for primary school students.

The program fulfils the students' curriculum's Arts and Physical & Health outcome requirements and covers many other aspects, such as coordination, musical appreciation and self-confidence.

Edu-dance allows many children to experience the excitement of performing in front of an audience, but most importantly, it is promoted as a fitness and fun program. Each year level has a program specifically designed to suit their age group, with appropriate music to complement each group. All staff employed by Edu-dance are thoroughly trained, qualified dance specialists and have many years of experience as both performers and teachers.

Each class will participate in 9 x 30-minute lessons weekly, and a concert will be held to showcase their dances after the program. **More details regarding the concerts can be viewed on the school's website and each class's session times.**

Lessons for individual classes will be in Term 2, Monday (Weeks 1 to 9 & Tuesday, Week 1), Wednesday (Weeks 2 to 10), and Friday (Weeks 1 to 9). The program costs \$41 per student, and it would be appreciated if payment could be received at the office by Friday, 11th April.

We are very excited to have Edu-dance working with our classes again this year and look forward to sharing the children's progress with you!

Thank you,
